Puff boasts with Pride on her Magical Ride!

by Cheryl LeFever, Worthy Matron

The month of love displayed itself in true form at our meeting on Valentine's Day. Shades of red and pink filled the room, and again I found myself in awe of the Past Matrons and Past Patrons of Scepter Chapter who came in force with support once more. With seven officers down, we were STILL able to open 'long form'. OH YEAH! That's some awesome support! We had something else that evening which we haven't had in a while; a playing Organist. My heartfelt thanks to Sister Drury Wisdom who graced us with sounds from her fingertips that evening, and whom we hope to have back often this year! Scepter had a lot of 'sweet' folks introduced during escorts. They filled the room full of love; reminding us to carry it in our hearts every day.

I also had the honor to watch Sister Marty Pritchett receive her 50 year pin from Sister Sarahann Shapiro, Worthy Grand Matron, and Brother Art Weiss, Worthy Grand Patron on February 10th. What a great experience it was to witness such an event. On March 14th Scepter will be celebrating seven, 50 year members and three, 25 year members who will be receiving their pins this year. With St. Patrick's Day so close (and giving a nod to our Worthy Patron's Irish side) I'll be a wearin' the green'. We will also be giving a nod of honor to our Chapter celebrating its birthday that evening! Past Matron's and Past Patron's will grace the floor as they step back in time to familiar stations, with pride. Speaking of pride; it is with the utmost enjoyment that I report our Chapter grew a member last month; a special welcome to our new Sister Nellie Fernandez! In our

fuzzy comfort, we brought our Sister Nellie into our Chapter. Slippers of all kinds scattered the room. From silly to outrageous; cozy to practical, we had a great time sharing our fun side with our new sister and look forward to her enjoying many more with us!

Some of those experiences could start with Scepter's Official Visit to Bethel No. 337, Job's Daughters, March 15th. That's right! It's the annual 'Green Socks' OES OV! Wear a pair of your most crazy green socks to parade and display; only to find out whom in the room, has the CRAZIEST socks of them all! These girls are our future. Let's come together and show them that their masonic path *can* continue after Job's Daughters.

Winding down the month we will be celebrating Easter at our March 28th meeting. So come dressed in your 'Sunday Best' and welcome in the beginning of spring with pastel colors to lighten the dark days of winter.

Always something going on and we're having a ROARING good time doing it! We

Magical words from Poof in the East

by Michael Martinsen, Worthy Patron

Hello Sisters and Brothers!

Can you believe that March is upon us? March is one of my favorite months because now is the time when the air is filled with the luscious smell of corned beef. Being part Irish, I'd have to say that a plate full of that brisket is like my own little pot of gold at the end of the rainbow.

As well as it being The Month of Corned Beef, there's no escaping all the wonderful shades of green we see around us. It's always been one of my favorite colors (ever since my first car!), and now, being a member of our Order, it has added new and special meaning to it too.

One of the things I appreciate about Martha's story is how it reminds me to not fear to step out on faith. Our amazing Chapter is continually offering us opportunities to embrace the wonderment of leaping into something new and being an active participant. Are you a member out there who would like to be more involved in our Chapter but maybe is unable to attend regular Thursday meetings? Well, then fear not, step out on faith and let one of our officers (even me!) know. We always have a place

for someone who wants to try something new.

Our Heroin's story can also be seen in the emblem that our Worthy Grand Patron has chosen for the year: The All Seeing Eye and the Holy Bible in the Infinite Heavens. An observation of it could be made that with faith, one may resolutely step into the unknown and, with utmost confidence, know that their steps are supported and guided.

If you're not doing anything on March 9th, Orange Grove Lodge #293 will be celebrating one hundred twenty-five years in the community! Quite a milestone for our Lodge and they're not holding back. With Grand Lodge coming to open, a luncheon and presentation, a whole day of community tours and a membership dinner, it ought to prove to be quite a spectacle.

Also in March is an opportunity for you to don your shades of green and come enjoy celebrating milestones with some of our long-time members. That's right, on March 14th, we will be honored to present some of our members their twenty-five and fifty-year pins along with celebrating our Chapter's birthday.

Well, it was good to write to all of you again and if you ever have any questions about connecting to us online, never hesitate to call and ask for help!

May a rainbow descend upon you, may The Luck o' the Irish be with ye, and until next month Sisters and Brothers!

Your Lil' Bit O' Irish Worthy Patron

Greeting from the Grand Family

By Bill Prentiss, 2013 Grand Warder

Having made it through the Installation Season and now well into the Official Visit circuit we are all having a FABULOUS time. We have finished our first Northern and Southern OV's and we concluded the opening round with our OV to our Senior Living Community, where not only did the Grand Officers exemplify their work superbly, but we had the honor to present TWO 50 year pins to Kay Dufresne and Scepter's very own Marty Pritchett. All of which was followed by an exquisite spread of very tasty snacks all linked to our Dragons & Stars with a magnificent Castle made out of Rice Krispies. Our many thanks to Clair, Kat & Bruce for everything they did for us at the OV.

And speaking of thanks, a great big THANK YOU to all my Sisters and Brothers in Scepter Chapter for their support and love this very special year. Ris and I both appreciate our "Eastern Star Family". We have seen through our brief travels so far just exactly how special our Chapter really is.

And now, as Willy Nelson says "On The Road Again"

From Our 2013 DGM

by Robin Reeves,
Deputy Grand Matron, District 32

Hello and Happy Spring, all!

It is that time of year when the birds start singing and our hearts are happy with warm thoughts to greet the glorious sunshine and pretty blooming flowers. Won't you visit Chapter and bring your own smiles and support? What an exciting time to be involved in our beautiful Order!

The Worthy Grand Matron and Worthy Grand Patron have begun their Official Visits throughout the State and it has been so nice to see so many of you attending these functions. Locally, our own Orange County Party Nights are also guaranteed to be a good time. Ami Tai just had their Disney Themed Party and what a party it was! Yorba Linda's Party Night is just around the corner on March 5th, 2013. The theme is Route 66. What a great party that will be – if you are there! Please come out and support these events. It just wouldn't be the same without you!

I am so happy to be working with all of you this year. The Officers are doing a beautiful job and I have been so pleased with the progress that is being made across the board. Congratulations, Scepter Chapter on a job well done! It is easy to see that this Chapter works well together and has a lot of fun while doing it! Why don't you come out and see for yourself?

Beannachtai na Feile Padraig Happy St. Patrick's Day from Hope and Joy!

Hello Sisters & Brothers, *by Courtney Pedersen, Associate Matron*

Well we have officially started the Orange County Party Nights. Our first one was at Ami Tai. It was themed A Night At The Park. I had a great time serving as Associate Matron. If you haven't been to one in a while it's a lot of fun!

Our next one is March 5, 2013 at Yorba Linda. It's a car rally theme Route 66. The serving officers are as follows: Secretary, Speaking Organist, Martha, and Flag Bearer. If you can't make it please let Barbara Hawkins, Yorba Linda's Associate Matron, know as soon as possible.

Last month I attended the Sweetheart leadership camp with my daughter. We had a great time. It was nice seeing the young ladies run the camp. My daughter came from there feeling better with the knowledge she gained from being there. I would recommend every young lady to attend.

I would like to congratulate one of our brothers who happens to be my cousin Brandon Messenger. He is getting married on March 16!

A Word from our Associate Patron in the West

by Ruben Gallegos, Associate Patron

Greetings Sisters and Brothers,

On the fourth of February, I attended Orange Assembly Rainbow Girls' installation of Officers. Sarah Holderman was installed Worthy Advisor, with three other ladies assuming their new offices as well. After the girls were installed, it was time for the Installation of the new Mother Advisor. Not many in attendance knew who she was. When she was asked to step to the sidelines, what a great surprise it was to see who she was, and to see her enthusiasm and tears of joy. I believe as Judy Edgmon approached the altar to receive her Mother Advisor jewel for Orange Assembly you could just see the excitement and happiness in her face. It looked like she could hardly control herself from all the joy. Congratulations Judy! We know that you will do a great job. Judy is a Past Matron of Scepter Chapter, as well as a majority member Rainbow Girl.

While I am on the subject of Rainbow Girls, the assembly in Orange needs your help. Right now, they need new girls. If you know of any young girls between the ages of 11 and 21 who would be interested in becoming a member of an amazing youth organization that prepares young ladies for life, please contact the new Mother Advisor Judy, or me. Also, we need advisors. If anyone is interested in being on the Rainbow Advisory Board, please let us know.

On the tenth of February, Madeline and I attended the Official Visit at the Senior Living Community. We saw many of our good friends, sisters and brothers that is, from all over California. It was fun to visit with them. We all took our seats

and the Grand Officers marched in and took their offices. They all looked wonderful.

On this evening, two 50-year pins were presented to two lovely ladies who reside at the SLC. One of those ladies was Sister Martha "Marty" Pritchett, our very own Scepter Chapter member. Both ladies were very proud and happy, as were the members in attendance. What a great honor it was to have the Worthy Grand Matron and Worthy Grand Patron present these ladies with their pins. Sister Marty has been living at the SLC for 13 years.

After the OV was completed, we adjourned to the banquet room for refreshments. What a beautiful feast was set out on the tables! The SLC sure made quite the impression; they went all out! I was able to sit with some of the ladies from the center and we had a great time talking about the "old times" of Eastern Star. They sure had some great stories. We also talked about the food at the center; the ladies sure do enjoy the food there. Also they enjoy movie nights, and many other activities. It was very exciting to listen to these ladies tell me how much they enjoy living there and how the staff keeps a real close watch over all of them.

As my wife and I left, I was so proud of our Senior Living Community. I had a great feeling knowing these ladies are being cared for so well. Stop by whenever you have a chance. It is a beautiful place.

Sister Becky Messenger, PM has been sick and is now fully recovered.

Sister Rebecca Mojoros has been sick and is at home getting rest.

Please keep all of our ill Sisters and Brothers in your prayers. Don't hesitate to call or drop me an email if you know of a Sister or Brother in need of a call, card, or warm thought.

A Special Thanks

Thank you to everyone who helped in the preparation and fulfillment of the memorial service for Gene Stiles, PGP. I could not have done it without your help. Your contributions whether monetary, food, or physical work, were invaluable. You did a great job and made the Chapter proud, and I know Barbara was very pleased as well. Thanks again for a job well done.

A Word from Speedy in the South

by *Hollie Mann, Conductress
and Starbright President*

I hope everyone's February was as wonderful and full as mine. There doesn't seem to be enough time in a day to get everything I want to get done, done. Then there's what has to be done! I'm not complaining, I love it all.

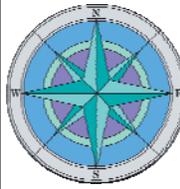

Our Starbright meeting this month was well attended. We enjoyed great conversation, while working on the Tea fundraiser, which was organized by our very busy Rhea Turek. Madeline presented an idea for a new fundraiser and our very active Jeani volunteered to organize it. Look for it in March. Another member told me she had a fundraising idea, but we haven't discussed it yet. I encourage everyone to come to our Starbright meetings. Come share your ideas, be creative and enjoy great fellowship. We meet the first Thursday of the month at 7:30pm at the Masonic Center.

Our Valentine meeting was so fun. I really enjoyed having our Past Matrons and Past Patrons filling in for all of the absent officers. It's wonderful to watch the ritual be done with so much grace and confidence.

Speaking of confidence, I have so much more after attending the Conductress/Associate Conductress retreat. I guess I'm a visual learner, and all of my reading about how to escort and walk through the labyrinth just wasn't being absorbed. After attending the retreat and being shown several ways to accomplish the floor work, I now understand it and feel confident in doing it.

We have a dining out fundraiser this month at Marie Calendars. They love us so much there, that we get to have it for two full days. We are having it on March 15 and 16th all day, both days. Bring the attached flyer with you so that we get credit for your attendance. I hope to see you there.

I wish everyone a blessed Easter! I hope you get to spend some special time with your family and friends.

A Word from our Dolphin in the North

by *Madeline Gallegos, Associate Conductress*

Hi All,

I hope everyone had a great Valentine's month with all the heart candies (hard and CHOCOLATE) and those beautiful flowers of Red, White, and Pink. But the most lovely gifts were of course all those JEWELRY Boxes! Right?

The month started off with our very own Rainbow Girls Installation. It was very pretty. They have a new board now and Denise has stepped down as Mother Advisor. A very tearful moment. Who stepped in? Our very own Sister Judy Edgmon. I for one know she will be wonderful! That all happened on the 4th, which was my Birthday, Happy, Happy to Me (ha ha).

On the 10th was the Official Visit to the Senior Living Community where our Grand Officers did the work; And Beautifully I do say! Our very own Sister Marty Pritchett received her 50 year pin. She was so very proud of this milestone in her life and says she will wear her pin with great pride.

The Masonic Lodge Valentine's program, dinner and dance was very nice. Very pretty and just right for the Valentine lovers. The lighting was so romantic and the food was really good.

We then had a meeting on the 14th, Valentine's Day. Our theme was, you guessed it, "Valentine's." We all wore our Pinks, Reds, and Whites. Our dining room chairman did an outstanding job with those goodies and decorations. Thank You Angie.

Then our Conductress, Hollie and myself headed off to Riverside for our Conductress/Associate Conductress Retreat on Saturday the 16th. I really enjoyed it and learned a lot. I got to polish up on the work that is needed, so that we look good for our meetings and upcoming Initiations. And for me I got to learn more about balloting. I came home believing that I know everything, but of course that does not last. There is always something more to learn!

Our first Orange County Party Night at Ami Tai Chapter in Brea was an all about Disney theme, a day at or a day of work there. It was quite a fun night. Ruben and I went as a tourist and a character. I think it was certainly enjoyed by most everyone who attended.

Our meeting on the 28th was our "Slipper Night", where the members got to wear their comfortable slippers, just like home. This was a night of complete casual footwear. The goodies after were great and the dining room looked just great. Thank you Rebecca.

Now we head for March. This is the month of that "Green" day! I personally like the cute floppy eared animals day with chocolate bunnies and those hard candies and jelly beans too.

Special Greetings from Scepter Chapter’s Electa

Greetings Scepter Chapter! I’m excited to be serving as *by Christa Johnson, PM, Electa* your Electa this year. I served as Worthy Matron in 2004 in Granada Hills Chapter No. 616, which consolidated with Van Nuys Chapter No. 338. I am a plural member, and a lifetime member in Van Nuys. Moving to Orange County and joining Scepter, I have learned that this area has some very special events and traditions that are not present in other areas. The Orange County Party Nights are one example. In Orange County, every officer is asked to fill a station at a Party Night. In other parts of California, only the line officers are asked to fill stations at other chapters. The line officers of the hosting chapter move up one station while their associates fill all the other stations. In Los Angeles, these evenings are called Line Parties, and are different from the ones in Orange County. There are other differences between my chapters, but it came to mind because it is Party Night season! I look forward to representing you at Ami Tai’s Disney night.

No matter what chapters we are from in California, we are all Sisters and Brothers and abide by the same Constitution and Laws. We also have the same call to arms when it comes to giving charity and service. The story of Electa is one of my favorite initiation speeches. Charity and hospitality are extremely important, as well as gratitude and steadfastness. Please “Make A Difference” this year and plan some act of service for our chapter. I am excited to see what wonderful ideas will arise from our membership. As I announced at the meeting, I am collecting towels of all sizes for MEND, Meet Each Need with Dignity, a wonderful homelessness program in Pacoima, CA. Your towels will be used by the homeless to maintain proper hygiene and also by needy families in the area. There are other similar organizations in Orange County who have similar needs, and I will be donating to them too. Thank you!
